HIVO

HI-VIS SAFETY VEST

HIVY is a personal safety product made of reflective material that fits into the main part of a garment or vest, suitable for night or bad weather. Protecting workers is better in outdoor work.

APPLICATIONS

» Applicable to road workers, traffic and road departments, road commanders, police, cleaners, etc.

Its height is reflected in the prominent role of warning and protection of personnel safety.

FEATURES

- » Conforms to EN ISO 20471.
- » Fabric: 100 % Polyester Mesh / Knitting.
- » Hi-Vis reflective tape / PVC tape.
- » Fluorescent yellow.
- » Available sizes: S - XL.
- » Closure: Velcro / Zipper.
